

THE PIT FIX

Call us for our low-cost spay and neuter Pit Bull program.

Pit Bull and Pit Bull mixes are the most common dogs to be found in shelters. This is due in large part to the misinformation about the breed and over breeding. Be a responsible Pit Bull owner and get your Pit fixed.

Second Chance helps to fix Pit Bulls for a cost of \$50.00.

If you have a Pit Bull and want to get your Pit fixed, call our direct line at 508-637- 1333 to schedule an appointment, or submit the online S.P.O.T. Request Form on our website at www.secondchanceanimals.org, or print the S.P.O.T. Request Form from our website and mail or fax to us at:

Second Chance Wellness Center

372 North Main Street
North Brookfield, MA 01535
Fax: (508) 867-5019

For more information on all our additional low-cost services, call or visit our website.
