The Pit Fix

Help to get your pitbull fixed is only a phone call away!

Pitbull and pitbull mixes are the most common dog to be found in shelters. This is due in large part to the misinformation about the breed and over breeding. We want to help this breed by helping to fix pitbulls at an affordable cost. Be a responsible pitbull owner and get your pit fixed – we can help!

Second Chance helps to fix pitbulls for a cost of \$50.00. If you have a pitbull and want to get your pit fixed, call our direct line at 508-637-1333 to schedule an appointment, or submit the online S.P.O.T. Request Form on our website at www.secondchanceanimals.org, or print the S.P.O.T. Request Form from our website and mail or fax to us at:
